Work Experience

Oct 2008-Present

Freelance Editor

Worked on projects including feature, short, and documentary films, TV shows, music videos, web series, and trailers. Clients have included US Dept. of HHS, The World Bank, PSI, Earthshot Foundation, SILVERDOCS Festival, MonkeySee, Digital Production Buzz, Steve Yeager Young Filmmakers Workshop, and Patch.

Sept 2015-Present

NCARB Washington, DC

Videographer/Editor: Shot and edited various interviews and corporate videos. Also organized workflow, set up lighting and audio, and created motion graphics.

July 2014-Nov 2014

Sway Bethesda, MD

Video Editor: Edited over 30 federal and state political commercials for broadcast and cable television in a fast turnaround environment.

Dec 2013-Feb 2014

Witnify Washington, DC

Video Editor: Edited individual anecdotes and compilation videos about the *Miracle on Ice* for SBNation.

Feb 2013-Nov 2013

The Great Courses Chantilly, VA

Video Editor: Edited courses "The World's Greatest Geological Wonders," "Writing & Civilization," and "12 Essential Scientific Concepts."

July 2012-Oct 2012

Discovery Communications Silver Spring, MD

Assistant Editor: Assistant editor on AVID for the TV show "Gold Rush: The Dirt."

Jan 2012-June 2012

MIT Cambridge, MA

Video Editor: Edited a documentary web series for MIT OpenCourseware, also assisted in shooting material. View series at ocw.mit.edu/bootcamp.

March 2011-July 2011

Baker Communications Alexandria, VA

Video Editor: Edited over 450 short-form science videos and created the post-production workflow. Also worked on-set doing script logging, running teleprompter, lighting, and props.

Nov 2008-Feb 2010

GameZombie Los Angeles, CA

Producer/Video Editor: Produced and edited videos for GameZombie.tv, a Webby-award-winning video game review website. Shot material at conferences including CES, LA Games Conference, and Digital Hollywood.

Sept 2008-Dec 2008

National Lampoon Los Angeles, CA

Video Editing Intern: Edited videos for the National Lampoon College Network and website. Also shot interviews and B-roll footage in field and studio settings.

June 2005-Aug 2005

C-SPAN Washington, DC

Tape Library Assistant: Aided in scanning, evaluating and dubbing tapes; went out with field crews to set up cameras, lights, and audio equipment.
